What do you see as the basic purpose of the public schools?

I see it as an essential part of citizenry formation.
Giving essential tools for life, to
be a citizen, alert & self thinking citizens.
A very necessary tool for life

What is the role of the school board in the fulfillment of that purpose?

I see it as a governing board of elected
officials that champion for a healthy
& vibrant, as well as a comprehensive,
education experience - fighting for the most
bang for the public buck!

What could be done to help improve communications and relationships among the board, staff, students, parents, and community?

To be an enthusiastic & active bridge of
communication - and leadership to
foment more active participation amongst
all bodies from school group to parent
& kids

What should be the relationships between the board members and the administration in the handling of school concerns?

To keep focused and accountable, the steward of
of the public funds - disseminating
information and report up problems to leader
ship

where ever I'm needed - I like to interact
with people, but where ever my
skills are needed

What do you see as the strengths of the Antioch Unified School District?

the fact that Antioch U.S.D. still has that
county feel - with the level of cooperation
& capacities

What do you see as the areas of most needing improvement in the school district?

more focus on 17 principles -
a lot in the air to revise the
personnel - lead &
supervisors - govern...
to serve our fellow
MAN
with compassion & passion
