Mr. Michael G. Vigilia, City Attorney
P.O. Box 5007
Antioch, CA 94531-5007

Dear Mr. Vigilia,

Under the California Public Records Act § 6250 et seq., I am requesting an opportunity to inspect or obtain copies of public records that include but are not limited to the complaint filed by Council Person Ogorchock concerning alleged Brown Act Violations made on March 14, 2017 by her.

I desire to see the formal complaint and the evidence Mr. Ogorchock provided with the complaint. This evidence should comply with the California Code of Evidence Divisions 1 through 11 inclusive. It should state the names of witnesses Mr. Ogorchock supplied with her complaint who have first hand and actual knowledge of the alleged events, not simply through hearsay, fabrication, fantasy or alternative facts.

Request is also made for any supporting documents you hold produced by you, Mr. Steve Duran or Mr. Ron Bernal.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$50. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the complaint filed by Council Person Ogorchock. This information is not being sought for commercial purposes.

The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any part of, or this entire request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for addressing my request.

Sincerely,

Mark Jordan
