Timeline Narrative

- *January 12, 2020: A shooting in Oakland on 13TH Street was linked to a firearm collected months later, in Antioch, during a vehicle search of a known Case gang member. No known victims were identified for this shooting.*
- *June 25, 2020: A known ENT gang member was shot in Oakland and walked into a local hospital where he was contact by OPD.*
- *June 27, 2020: A known Case gang member walked into an Antioch hospital reporting stab wounds that were consistent with gunshot wounds.*
- *June 27, 2020: An occupied residence in Antioch was shot multiple times. The location was associated with Case gang members. Five casings were collected and linked to the shooting below and a July 13 shooting.*
- *Jun 27, 2020: Oakland officers responded to a ShotSpotter activation (twenty-two rounds fired) and a traffic collision on MacArthur Boulevard. A Case gang member was shot, driving a stolen vehicle, and in possession of a firearm with an extended magazine. ENT suspects committed the drive-by shooting and more than fifty-one casings were collected and linked to other shootings.*
- *July 13, 2020: Antioch officers responded to shots being fired between two vehicles on Hillcrest Avenue. Case gang member Daunzhay Young was struck by gunfire and transported to a hospital. Seventeen casings were collected and linked to previous shootings.*
- *August 14, 2020: Oakland officers responded to Beverly Avenue for a shooting of a Case gang member, who was shot while seated in a vehicle.*

The victim ultimately died the next day. Multiple rifle casings were collected.

- *August 27, 2020: Oakland officers responded to a shooting on High Street and contacted a Case gang member who sustained multiple gunshot wounds. Three handguns were located and collected.*
- *August 29, 2020: Case gang member Daunzhay Young was murdered in Antioch. Young was shot with a short-barreled AR pistol, and thirty-two rifle casings were collected.*
- *September 4, 2020: Oakland officers responded to a shooting on Foothill Boulevard and contacted two ENT gang members, one of which had been shot. Fifty-six rifle casings were collected.*
- *September 6, 2020: Antioch officers responded to multiple shots fired at a residence on Catanzaro Way. This was found to be a memorial gathering for Young. Thirteen suspect rifle casings were collected, and eight return-fire pistol casings were collected.*
- *September 30, 2020: Oakland officers responded to two ShotSpotter activations on Hillside Street (fifteen shots and six shots). Several casings were collected and linked to the above memorial shooting in Antioch.*
- *October 9, 2020: Oakland officers responded to shots fired near Crest Avenue and Fontaine Street. No known victims were identified. Several pistol casings were collected and linked to prior shootings in Oakland and Antioch.*
- *October 11, 2020: Antioch officers responded to an exchange of gunshots on Deerspring Way at a park. No known victims were identified for this shooting, and ENT gang members are suspected to be involved.*
- *October 19, 2020: Oakland officers heard gunshots on Hillside Street and located a vehicle collision and several casings. The scene was abandoned,*

but an ENT gang member walked into a local hospital suffering from multiple gunshot wounds and was rushed into surgery.

- *December 8, 2020: Antioch officers responded to several gunshots on Catanzaro Way. No victims were identified for this shooting and several pistol casings were collected.*
- *January 1, 2021: Oakland officers responded to gunshots on Campbell Street. An abandoned crime scene was located, and pistol casings were collected. Shortly afterwards, an ENT gang member walked into a local hospital with a gunshot wound to the leg.*
