

STAFF REPORT TO THE CITY COUNCIL

DATE: Regular Meeting of January 9, 2024

TO: Honorable Mayor and Members of the City Council

SUBMITTED BY: Kwame P. Reed, Acting City Manager

SUBJECT: Adopt a Resolution Authorizing the Acting City Manager to Enter into

a Professional Services Agreement with Shield Protection & Public Safety, Inc., DBA Spearhead Protection for Private Security Services of City-Owned Assets and Parking Lots in the Rivertown/Downtown Area, for an Amount Not to Exceed \$50,000 in Fiscal Year 2023-24

and \$100,000 in Fiscal Year 2024-25

RECOMMENDED ACTION

It is recommended that the City Council adopt a resolution authorizing the Acting City Manager to enter into a professional services agreement with Shield Protection & Public Safety, Inc., DBA Spearhead Protection, for private security services of City-owned assets and parking lots in the Rivertown/Downtown area for an amount not to exceed \$50,000 in fiscal year 2023-24 and \$100,000 in fiscal year 2024-25.

FISCAL IMPACT

Sufficient funding is available in the City Manager's department adopted 2023-25 General Fund budget.

DISCUSSION

Over the past 18-24 months, Rivertown/Downtown business owners and their customers have experienced an increase in criminal activities either on or near city-owned public parking lots. In late 2022, a group of business owners began working with City staff on identifying viable solutions to improve the safety of the Rivertown/Downtown area. In addition to several of the businesses hiring their own private security, one proposed solution consisted of the City hiring a private security firm to monitor City-owned assets and parking lots. The security service provider would function as a visual deterrent and would have the ability to identify potential safety issues and report those issues to Antioch Police.

At their December 13, 2022 Council Meeting, the Antioch City Council gave direction to the staff to issue a request for qualifications ("RFQ") for private security services. Unfortunately, a series of staff changes resulted in the RFQ being issued a total of three times. On September 22, 2023, eight private security companies submitted their qualifications for consideration. Staff has determined the best qualified company for this effort is Spearhead Protection.

Spearhead Protection is an Antioch-based company that has worked with public and private clients throughout the state. The provided security service will include 7 hours of security between 5pm and midnight, seven (7) days a week including holidays. Spearhead Protection will provide one uniformed security guard that will patrol the Rivertown/Downtown area in a marked security vehicle performing checks at nine locations in the area.

Staff is requesting authorization to enter into a professional services agreement with Spearhead Protection for the remainder of the 2023-24 fiscal year and the entire 2024-25 fiscal year. If approved, the Acting City Manager will execute an agreement with Spearhead Protection in a form approved by the City Attorney.

BACKGROUND

Antioch has a history that starts before California became a state. The area was originally settled in the late summer of 1850 and incorporated as a City in 1872. Located on the banks of the San Joaquin

River and being the second largest City in Contra Costa County with a population of over 115,000; the City offers endless outdoor activities and is a thriving business hub.

Families with dreams of homeownership come to Antioch for its beautiful neighborhoods, parks, and natural beauty. Land remains plentiful and affordable, compared with other parts of the Bay Area. Antioch is one of the few Bay Area communities that offers naturally affordable housing. The pace of development in Antioch has spurred activity for the healthcare industry, financial and insurance institutions, contractors, and other types of businesses. Increased development has created increased employment in schools, hospitals, and other local service sectors. Bringing quality jobs to Antioch is one of the City Council and Communities priorities.

The City of Antioch was incorporated in February 1872 as a General Law City and operates under a Council-Manager form of government. Policymaking and legislative authority is vested in a five-member City Council consisting of a Mayor and four Council Members. The four Council Members are elected to four-year overlapping terms. The Mayor is directly elected to a four-year term. The Council appoints the City Manager, City Attorney, and members of advisory committees.

Antioch is a community that is proud of its heritage; a community that provides an opportunity to live, learn, work, worship and play in a safe, stimulating, and diverse community; a community that is a responsible steward of its economic and natural resources; a community that recognizes its responsibility to the vast Delta Region, and will be a pro-active advocate and a leader in promoting regional cooperation.

SCOPE OF SERVICES

The objective of this Request for Qualification (RFQ) process is to establish a list of qualified private patrol security service providers to provide private patrol security services for City-owned public parking lots located in Downtown Antioch.
