Antioch Unified School Board President Calls for Superintendent Resignation

Antioch CSEA chapter 85 is aware of the allegations of bullying and harassment against employees, we are working with our members to ensure their rights aren't being violated. We do not condone any bullying or harassment of any employee or students. We stand by our members and appreciate everything they do daily for the students and the community.

We encourage the school board to thoroughly investigate all the allegations and stand up for what's right, as is their role as elected officials.
