My name is Michael Mandy, and I am writing this letter to be considered for the position of City Clerk of the city of Antioch, California.

in May, 1994 my wife and I moved into our house, which is near the southern end of Hillcrest Avenue. So I have been a resident of Antioch for over 30 years. We raised our two children here, and they both attended Diablo Vista, Dallas Ranch, and Deer Valley High schools.

I am very proud of the City of Antioch. I have spent many hours hiking at Black Diamond Mines and the adjacent Reservoir. My family loved the Rivertown Jamboree (RIP), 4th of July fireworks over the Delta, and recently attended the Rivertown Wine Walk & Artisan Faire this last May.

My family has lived in the San Francisco Bay Area for 3 generations. My father was an Independent Insurance Agent, and his office was in San Carlos. After school I would sit for hours in his office, doing office-type jobs, such as answering the phones, taking messages, organizing paperwork, typing and using the Copy machine. I learned professionalism, courtesy, and possess a high work ethic.

In 1995 we moved the family Insurance office from San Carlos to my home in Antioch. I was in business here until I sold the agency in 2013 to pursue other opportunities. Since then, I have been a Premises Technician for AT&T. My job duties have been going into peoples' homes and installing High-speed Internet and climbing telephone poles to upgrade the telephone lines to Fiber.

I was also an active member in our Union, CWA District 9, Local 9417. Since 2013 I have been our garage's Union Representative, and in 2019 was elected to serve on our Local's Executive Board. My duties included attending all meetings, coordinating and assisting in our Local Elections, and approving budgets and company records.

I am Detail-oriented, as I love desk work. I excel at inputting data on computers, paperwork, and following up to make sure everything gets done and gets filed correctly. I am also very adept at dealing with the public, as my previous jobs involved face-to-face interactions.

I am very proud of my city and I would be thrilled to work with the City Administrators and help to contribute to the success of my city of Antioch. I believe that I would be very successful as a City Clerk.
