Dear Greatness Supporter,

G.R.I.O.T. (Greatness Rediscovered In Our Time), is a mentoring and advocacy systemic gestalt that provides culturally relevant prevention and intervention. G.R.I.O.T. specializes in positively affirming African American males. Our mission is to provide strategic sustainable systems of social and academic assistance with emphasis on student accountability. Our goal is to take the journey with our enrolled youth through college graduation and return back to the communities and serve as conduit to future generations of “Greatness.”

Currently in our third year of existence G.R.I.O.T. continues to strive to expand its’ youth and community outreach efforts. In order to provide our holistic services we encourage your monetary, voluntary, and or any other support that you may be able provide. Your generosity will make a difference in our community by allowing us to continue provide our young men with life altering exposure to events, groups, individuals, and sites.

G.R.I.O.T. is currently the only East Contra Costa County organization participating in the Black Male Achievement MLK Mentoring Day- Inspired and encouraged by **The Black Star Project**. We are currently seeking sponsors and contributors to reach the attainable monetary goal of **\$10,000** by **January 5<sup>th</sup>, 2017**. The scheduled date for the event is Saturday, January, 14th 2017.

Please make out your tax deductible contributions to **East Bay NSBE Jr.** (National Society of Black Engineers), a 501c3 nonprofit organization (# 56-2561961) G.R.I.O.T.’s fiscal sponsor. These proceeds will allow G.R.I.O.T. to host, provide breakfast, lunch, musical guest, keynote, venue, materials, etc. for over **300** Black males within East Contra County.
