Dear Ms Householder,

This letter is to inform you that I have submitted a revised Recall petition for the Mayor of Antioch, Lamar Thorpe. I have made corrections to address your first and second reasoning for rejection of the petition and ask that you review your third reason. You referenced Election Code 107(b) and stated we must include "Official Top Funders on the petition. I researched this code and found that it applies for a recall petition for which the circulation is paid for by a committee formed pursuant to Government Code 82013. No such committee exists and we do not meet the requirements to file FORM 410 with the FDDC. Furthermore, the code also states that if there are Official Top Funders that the disclosure shall be included on the Petition OR in a separate document. It is not required as you claim. Please remove this reason for rejection

Sincerely,

Kathy Cabrara
