

Antioch Herald – 2021 Antioch City Council Redistricting Map & Details

Total Map Population: 115,581

Redistricting Population: 115,580 Avg. Population per District: 28,895

Challenges: It took me four tries, three after I had logged in and on the third try, I was able to submit. But what was sent shows it was a blank map. Please ignore that submission. On my fourth try, without logging in, I created the attached map which I did submit, and is labeled Antioch Herald map.

A minor challenge is the district colors are too similar and the user doesn't get to choose them. Thus Districts 1 and 4 look like the same color and Districts 2 and 3 are very similar, as well.

<u>District</u>	<u>% Deviation</u>	<u>Boundaries</u>
District 1	-0.94%	North of Hwy 4 and East of Hwy 160

District 1

Value	Population	%Deviation	%Latino	%White	%Black	%Asian	%MMR
